

WOOD4U

Discover our colourful parquet collection

Quality grade

Premium

Carefully selected with even (wood) color tone, almost knot-free. Small knots may be filled with putty. Sapwood, core wood, large knots and cracks are not allowed.

Classic

Filled knots with putty are allowed in a natural amount. Filled cracks with putty are allowed. A small amount of sapwood is allowed.

Rustic

Healthy/live knots are allowed. Filled cracks with putty are allowed. Larger filled knots and cracks are allowed to be uneven (depressed). Frost rings and a small amount of sapwood are allowed.

Wood is a natural material, meaning every plank unique. The wood patterns and color variations on the parquet are natural and are not considered defects.
